## FIRST ORDER OF BUSINESS

## Roll Call

Mr. Iorio called the meeting to order at 1:30 p.m. and called the roll.

## SECOND ORDER OF BUSINESS Public Comment Period

There being none, the next item followed.

THIRD ORDER OF BUSINESS
Approval of the Minutes of the January 5, 2022 Meeting

On MOTION by Mr. Beasley seconded by Mr. Tassone with all in favor the minutes of the January 5, 2022 meeting were approved as presented.

## FOURTH ORDER OF BUSINESS Business Matters

A. Consideration of Resolution 2022-02 Redesignating the District's Registered Agent and Office
Ms. Sandy stated this is designating the registered agent, it was listed under our prior firm and just making that change to myself at our new office and new location.

On MOTION by Mr. Beasley seconded by Mr. Tassone with all in favor Resolution 2022-02 was approved.

## B. Consideration of Proposal from ReAlign Web Design for ADA Compliance Website

Mr. Flint stated when we took over the District from the prior manager, we noticed the website was not ADA compliant and this became a big issue two years ago with some lawsuits and the District's insurer. Florida Insurance Alliance who insures over 300 CDDs is requiring that the website be ADA compliant plus we want to make sure they are ADA compliant so we are not named in a future lawsuit. ReAlign Web Design has provided a proposal for a one-time charge of $\$ 1,750$ to recreate the website in a compliant format. This is a very competitive price.

On MOTION by Mr. Tassone seconded by Mr. Beasley with all in favor the proposal from ReAlign Web Design for ADA Compliance Website was approved.

## C. Review and Acceptance of Fiscal Year 2021 Audit Report

Mr. Flint stated the report to management, which is the last page of the report would show whether there were any findings or recommendations, and you can see there are no current year findings or recommendations. However, there was one finding or recommendation from the prior year and that had to do with the fact that the audit was completed after the statutory deadline, that was before we took over as manager. The audit is supposed to be completed and filed by the end of June of each year and it was filed after that deadline. They have also determined that we have complied with the provisions of the Auditor General of the State of Florida that they are required to review.

> On MOTION by Mr. Beasley seconded by Mr. Tassone with all in favor the fiscal year 2021 audit report was accepted and staff authorized to transmit a copy of the final report to the State of Florida.

## D. Consideration of Resolution 2022-03 Approving the Proposed Fiscal Year 2023 Budget and Setting a Public Hearing

Mr. Flint stated the Board is required to approve a proposed budget by June $15^{\text {th }}$ of each year and set the date, place and time of the public hearing for its final consideration. We included in the agenda package Resolution 2022-03, which recommends your public hearing be held on July 6, 2022 in this location at 1:30 p.m. We have to submit the budget to Osceola County at least 60 days in advance of the public hearing and we will do that in the next day or two. Exhibit A to the resolution is the proposed budget, it is not binding on the District if you choose to make any changes you can do that at any meeting between now and/or at the public hearing in July. On the administrative side we are asking for a $5 \%$ increase in the management fee, the current year is $\$ 35,000$ and next year's proposed budget it is $\$ 36,750$. Again, you are not approving that today, it is a proposed budget and you can make a final determination at the public hearing if you choose to do that. We anticipated there is going to be some increase in your liability insurance and we will have a firmer number by the public hearing. Overall your general administrative costs have gone up by $\$ 600$, the operations and maintenance costs have increased from $\$ 103,000$ to $\$ 118,000$. We included some funds for field management and this provides for the periodic site visits and meeting with the landscape contractor and lake maintenance contractor and we also included $\$ 5,000$ for some additional littoral plantings. We are able to accommodate these modifications with no increase in the per unit assessment, the per unit assessment remains the same at $\$ 412.53$ for a 50 -foot lot and $\$ 495$ for a 60 -foot lot. Going into the current year there may have been some lots that weren't platted yet in the last phase and those were direct billed, now we show all the lots being platted.

Mr. Iorio stated one lot in Phase 5 is shown as a 40 -foot lot and it has to do with the original boundary survey that was done for the project. As construction plans were approved the lot exceeded into a piece of the park that is owned by the county by about 10 -feet. We are going back to get approval on that one last lot. I don't believe that lot is platted, I think it is shown as a tract right now. I will keep the manager apprised as we go through this process.

> On MOTION by Mr. Beasley seconded by Mr. Tassone with all in favor Resolution 2022-03 Approving the Proposed Fiscal Year 2023 Budget and Setting a Public Hearing for July 6, 2022 was approved.

## E. Ratification of Series 2018 Requisition \#15

Mr. Flint stated there was $\$ 634.39$ left in the construction account, it was basically interest earnings between the time the last requisition was approved and paid. The project has been certified complete and in order to close the account we had to zero it out. There were some expenses associated with requisition 7 that were developer funded and there were unfunded expenses that were demonstrated by the developer and we are just applying the $\$ 634.39$ toward those unfunded expenses and those funds will come to the District and the District will refund the developer.

On MOTION by Mr. Beasley seconded by Mr. Tassone with all in favor Requisition \#15 from the Series 2018 project was ratified.

## FIFTH ORDER OF BUSINESS

## Staff Reports

## A. Attorney

Ms. Sandy stated I'm still working on the Phase 5 acquisition and we are putting together the documents that we will send out shortly to have them executed.

## B. Engineer <br> i. Ratification of Proposal for Preparation of Stormwater Management System Report

On MOTION by Mr. Beasley seconded by Mr. Tassone with all in favor the proposal to prepare the stormwater management needs analysis report was ratified.

## C. Manager

i. Approval of Check Register

On MOTION by Mr. Tassone seconded by Mr. Beasley with all in favor the check register in the amount of $\$ 21,642.95$ was approved.

## ii. Balance Sheet \& Income Statement

A copy of the balance sheet and income statement were included in the agenda package for review.

## iii. Presentation of Number of Registered Voters - 520

Mr. Flint stated there is a copy of the letter from the supervisor of elections indicating that there are 520 registered voters residing within the District included in the agenda package. This means that in 2024 two seats will transition to general election. We have to hit six-years and 250 registered voters. The District was created in 2017 so we haven't yet met the six years.
iv. Consideration of Resolution 2022-04 Designation of November 2, 2022 as Landowners' Meeting Date
Mr. Flint stated we are recommending November 2, 2022 as the landowners meeting date to correspond with the Board meeting that will likely be on that date.

On MOTION by Mr. Beasley seconded by Mr. Tassone with all in favor Resolution 2022-04 was approved.

## SIXTH ORDER OF BUSINESS Public Comment Period

There being none, the next item followed.

## SEVENTH ORDER OF BUSINESS Other Business

Re: $\quad \$ 5,980,000$ Osceola Chain of Lakes Community Development District (Osceola County, Florida), Capital Improvement Revenue Bonds, Series 2020

## To Whom It May Concern:

AMTEC is an independent consulting firm that specializes in arbitrage rebate calculations. We have the ability to complete rebate computations for the above-referenced Osceola Chain of Lakes Community Development District (the "District") Series 2020 bond issue (the "Bonds"). We do not sell investments or seek an underwriting role. As a result of our specialization, we offer very competitive pricing for rebate computations. Our typical fee averages less than $\$ 1,000$ per year, per issue and includes up to five years of annual rebate liability reporting.

## Firm History

AMTEC was incorporated in 1990 and maintains a prominent client base of colleges and universities, school districts, hospitals, cities, state agencies and small-town bond issuers throughout the United States. We currently compute rebate for more than 6,900 bond issues and have delivered thousands of rebate reports. The IRS has never challenged our findings.

## Southeast Client Base

We provide arbitrage rebate services to over 350 bond issues aggregating more than $\$ 9.1$ billion of taxexempt debt in the southeastern United States. We have recently performed computations for the Magnolia West, East Park, Palm Coast Park, and Town Center at Palm Coast Park Community Development Districts. Additionally, we are exclusive rebate consultant to the Town of Palm Beach and Broward County in Florida. Nationally, we are rebate consultants for the City of Lubbock (TX), the City of Tulsa (OK) and the States of Connecticut, New Jersey, Montana, West Virginia, Vermont, Mississippi and Alaska.

We have prepared a Proposal for the computation of arbitrage for the District's Bonds. We have established a "bond year end" of January $31^{\text {st }}$, based upon the anniversary date of the Bonds in January 2020.

## Proposal

We are proposing rebate computation services based on the following:

- $\$ 5,980,000$ Series 2020 Bonds;
- Fixed Rate Debt; and
- Acquisition \& Construction, Capitalized Interest, Cost of Issuance, Reserve and Debt Service Accounts.

Should the Tax Agreement require rebate computations for any other accounts, computations will be extended to include those accounts at no additional cost to the District.

Our guaranteed fee for rebate computations for the Series 2020 Bonds is $\$ 450$ per year and will encompass all activity from January 31, 2020, the date of the closing, through January 31, 2025, the end of the $5^{\text {th }}$ Bond Year. The fee is based upon the size as well as the complexity. Our fee is payable upon your acceptance of our rebate reports, which will be delivered shortly after the report dates specified in the following table.

AMTEC's Professional Fee - Series 2020 Bonds

| Report Date | Type of Report | Period Covered | Fee |
| :---: | :--- | :--- | ---: |
| May 31, 2022 | Rebate and Opinion | Closing - March 31, 2022 <br> (2 Bond Years x \$450/Year) | $\$ 900$ |
| January 31, 2023 | Rebate and Opinion | Closing - January 31, 2023 | $\$ 450$ |
| January 31, 2024 | Rebate and Opinion | Closing - January 31, 2024 | $\$ 450$ |
| January 31,2025 | Rebate and Opinion | Closing - January 31, 2025 | $\$ 450$ |

In order to begin, we are requesting copies of the following documentation:

1. Arbitrage Certificate or Tax Regulatory Agreement
2. IRS Form $8038-\mathrm{G}$
3. Closing Memorandum
4. US Bank statements for all accounts from January 31, 2021, the date of the closing, through each report date

## AMTEC's Scope of Services

Our standard engagement includes the following services:

- Review of all bond documents and account statements for possible rebate exceptions;
- Computation of the rebate liability and/or the yield restricted amount, in accordance with Section 148 of the Internal Revenue Code, commencing with the date of the closing through required reporting date of the Bonds;
- Independent calculation of the yield on the Bonds to ensure the correct basis for any rebate liability. This effort provides the basis for our unqualified opinion;
- Reconciliation of the sources and uses of funds from the bond documentation;
- Calculation and analysis of the yield on all investments, subject to the Regulations, for each computation period;
- Production of rebate reports, indicating the above stated information, and the issuance of the AMTEC Opinion;
- Recommendations for proactive rebate management;
- Commingled funds, transferred proceeds and yield restriction analyses, if necessary;
- Preparation of IRS Form 8038-T and any accompanying documentation, should a rebate payment be required;
- We will discuss the results of our Reports with you, your auditors, and our continued support in the event of an IRS inquiry; and
- We guarantee the completeness and accuracy of our work.

The District agrees to furnish AMTEC with the required documentation necessary to fulfill its obligation under the scope of services. The District will make available staff knowledgeable about the bond transactions, investments and disbursements of bond proceeds.

#### Abstract

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE OSCEOLA CHAIN OF LAKES COMMUNITY DEVELOPMENT DISTRICT MAKING A DETERMINATION OF BENEFIT AND IMPOSING SPECIAL ASSESSMENTS FOR FISCAL YEAR 2022/2023; PROVIDING FOR THE COLLECTION AND ENFORCEMENT OF SPECIAL ASSESSMENTS; CERTIFYING AN ASSESSMENT ROLL; PROVIDING FOR AMENDMENTS TO THE ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Osceola Chain of Lakes Community Development District ("District") is a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes, for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

WHEREAS, the District is located in Osceola County, Florida ("County"); and
WHEREAS, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted capital improvement plan and Chapter 190, Florida Statutes; and

WHEREAS, the Board of Supervisors ("Board") of the District hereby determines to undertake various operations and maintenance and other activities described in the District's budget ("Adopted Budget") for the fiscal year beginning October 1, 2022 and ending September 30, 2023 ("Fiscal Year 2022/2023"), attached hereto as Exhibit "A" and incorporated by reference herein; and

WHEREAS, the District must obtain sufficient funds to provide for the operation and maintenance of the services and facilities provided by the District as described in the Adopted Budget; and

WHEREAS, the provision of such services, facilities, and operations is a benefit to lands within the District; and

WHEREAS, Chapter 190, Florida Statutes, provides that the District may impose special assessments on benefitted lands within the District; and

WHEREAS, it is in the best interests of the District to proceed with the imposition of the special assessments for operations and maintenance in the amount set forth in the Adopted Budget; and

WHEREAS, the District has previously levied an assessment for debt service, which the District desires to collect for Fiscal Year 2022/2023; and

WHEREAS, Chapter 197, Florida Statutes, provides a mechanism pursuant to which such special assessments may be placed on the tax roll and collected by the local tax collector ("Uniform Method"), and the District has previously authorized the use of the Uniform Method by, among other things, entering into agreements with the Property Appraiser and Tax Collector of the County for that purpose; and

WHEREAS, it is in the best interests of the District to adopt the Assessment Roll of the Osceola Chain of Lakes Community Development District ("Assessment Roll") attached to this Resolution as Exhibit "B" and incorporated as a material part of this Resolution by this reference, and to certify the Assessment Roll to the County Tax Collector pursuant to the Uniform Method; and

WHEREAS, it is in the best interests of the District to permit the District Manager to amend the Assessment Roll, certified to the County Tax Collector by this Resolution, as the Property Appraiser updates the property roll for the County, for such time as authorized by Florida law.

## NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE OSCEOLA CHAIN OF LAKES COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. Benefit \& Allocation Findings. The Board hereby finds and determines that the provision of the services, facilities, and operations as described in Exhibit "A" confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands, as shown in Exhibits " $A$ " and " $B$, " is hereby found to be fair and reasonable.

SECTION 2. Assessment Imposition. Pursuant to Chapters 190 and 197, Florida Statutes, and using the procedures authorized by Florida law for the levy and collection of special assessments, a special assessment for operation and maintenance is hereby imposed and levied on benefitted lands within the District, and in accordance with Exhibits "A" and "B." The lien of the special assessments for operations and maintenance imposed and levied by this Resolution shall be effective upon passage of this Resolution. Moreover, pursuant to Section 197.3632(4), Florida Statutes, the lien amount shall serve as the "maximum rate" authorized by law for operation and maintenance assessments.

SECTION 3. COLLECTION. The collection of the operation and maintenance special assessments and previously levied debt service assessments shall be at the same time and in the same manner as County taxes in accordance with the Uniform Method, as indicated on Exhibits "A" and "B." The decision to collect special assessments by any particular method - e.g., on the tax roll or by direct bill - does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

SECTION 4. Assessment Roll. The Assessment Roll, attached to this Resolution as Exhibit "B," is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County taxes. The proceeds therefrom shall be paid to the District.

SECTION 5. Assessment Roll Amendment. The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution, and shall amend the Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll. After any amendment of the Assessment Roll, the District Manager shall file the updates in the District records.

SECTION 6. SevERABILITY. The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

SECTION 7. Effective Date. This Resolution shall take effect upon the passage and adoption of this Resolution by the Board.

PASSED AND ADOPTED this 6th day of July 2022.
